OUR VISION: African Street Children who are Restored and Empowered for Full independent living

This Tuesday (6th December 2011) we ask that you join us in praying for ASYM and thanking God for...

- **Tino – our first child in an ASYM home – that he:**
 - **Continues to settle into his new life well**
 - **Makes new friends at school and enjoys learning**
 - **Builds bonds of trust with the ASYM staff**
- **Please keep the staff members in your prayers as they develop ASYM and care for the street children:**
 - **International Director - Dr Farai Katiro**
 - **Home Parent - Ms Tamari Murinda**
 - **Youth Support Workers - Miss Kudzai Mapungwana & Mr Lazarus Mwashatirwa**
- **Continued practical provision of gifts and financial resources to fund the first ASYM home and employ staff**

As always, please also remember in your prayers the many street children in Zimbabwe, their plight and desperate situation, and that God will continue to stir people’s hearts to help ASYM and others change these children’s lives for the better.

A.S.Y.M. is a value based and purpose driven Christian charity that aims to work in close strategic partnerships with all street children servicing organisations in Zimbabwe and Africa, government agencies, voluntary groups, churches and individuals. Our primary aim is to meet the immediate needs of street children by providing them with accommodation, education and training, employment creation and supporting their families and communities. Thus our purpose is to invest in young people through rescuing, restoring and re-integrating street children into the society, physically, socially, emotionally and spiritually.

Some ASYM news from the busy and wonderful month of November ...

Simukai (the charity that referred our first child to ASYM) visited our home last month. Here are some extracts we can share from the very encouraging report she wrote:

"...I must tell you how impressed I was when I visited the home and Tino. He was absolutely beaming with joy and looked so wonderfully healthy and clean! He also appears to be learning English and was very happy to be there...I cannot tell you how much joy it gives me to see how you have changed that little boy's life and would like to congratulate you on filling a gap in our programming..."

Our Director, Dr Farai Katiro, finished his latest monthly report to the Trustees with the following words. We thought this may encourage our supporters and bring a smile of faith to you all!

*"It was a hectic but fruitful month. We thank God because we are experiencing the breaking of new ground in ASYM approach to street children ministry. We would also like to thank the management board for their technical and financial support. We are pioneering and inexperienced but we remember the words that **amateurs built the ark and professionals built the titanic!**"*

Next month we will have more information on the staff members in Zimbabwe and their stories to share with you.

Every Blessing
